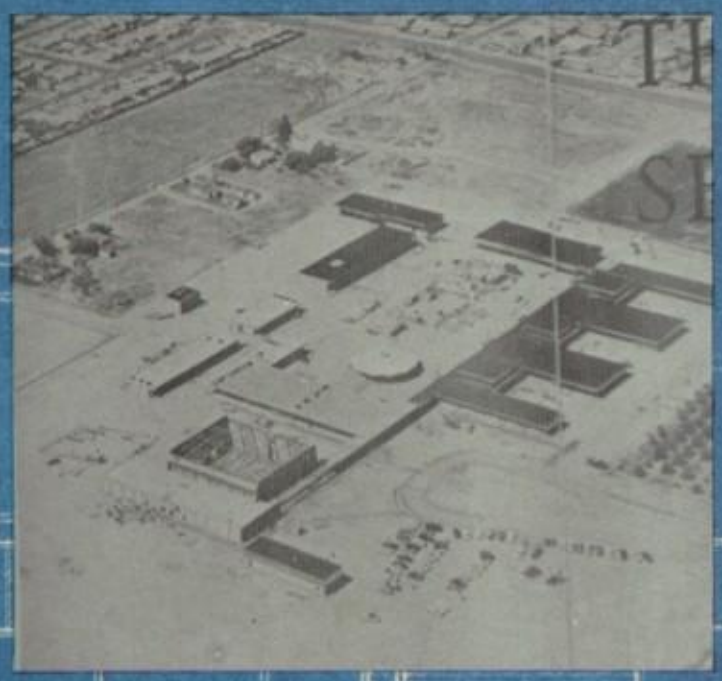
RYAN'S HOPE

Richard Ryan, Magnolia's first principal, started classes on the campus at 2450 West Ball Road (just east of Magnolia Street) in the fall of 1961. Not only were there many unfinished classrooms and offices, but the students of the other new senior high school, Savanna, were housed on the same grounds, as their school was too incomplete to occupy. Using double sessions for one semester, Magnolia students came to school in the morning and Savanna's in the afternoon. By Christmas, the Rebels had left for their own campus.

Located in the central part of the rapidly growing city of Anaheim, Magnolia had some students enrolled in it who had thought for years that they would someday attend Anaheim High School. For these reasons parents tormented Ryan to release their children to the older school. However, once on campus the spirit of starting a new school and its traditions overwhelmed the two classes (sophomore and junior), and the small confines of their still underdeveloped campus brought the student body together for an exciting time.

Student government was soon put into effect. Serving as the student body presidents for that first year were James Durst and Larry Blair. The Cabinet worked with a student government that called themselves the Continental Congress (modeled after the American colonial government). Likewise there was a Senate and a House of Representatives.

One of the first tasks that the student body faced was the landscaping of the campus.

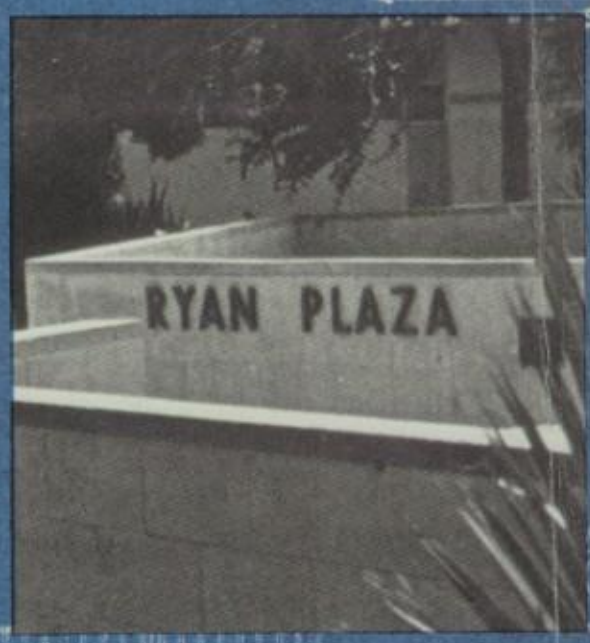


Ryan and others concerned for their campus' appearance obtained trees and shrubs from "free" sources, one being the State Highway Department which had trees to remove when the Artesia Freeway was being built. Ryan and his assistants transplanted some of them onto Magnolia grounds.

The circle in the courtyard was named Ryan Plaza and dedicated to him, after he retired. The class of 1964 gave the bronze lettering for the Plaza. Some of the teachers aided with the construction. Jerry Bishop (new that year as a speech teacher) drove the cement truck. Sid Shue and Dick Jackson with another new teacher, Tom Buck, poured and smoothed the slab. A mason was hired to lay the brick wall. Later, the campus was redesigned and landscaped in 1984, eliminating Ryan's Plaza for a more open atmosphere and a less crowded environment.

The mosaic plaque on the front of the administration building was made by Ron Oliver in 1964. The following year, a cannon was finally found and purchased by the Class of 1965, after all attempts to locate one free were foiled.

Many traditions have been formed at Magnolia, some by the student body and some by the staff. A tradition that existed for several years while Magnolia and Savanna were in the same league was the ownership of a framed ninteenth century pistol. The winner of their annual football game had the pistol for the next year. Magnolia is the permanent owner, since the Sentinels won it each of the years that the rivals played. The colors black and gold is yet another tradition that the Sentinels came up with.



The Magnolia yearbook referred to as the CANNON. The school mascot is the Sentinel. The males at Magnolia have been, are now, and always shall be "Sammy Sentinels". The females are bestowed with the nickname of "Susie Sentinels". The mascot, painted on the gym wall in 1967, is patriotically called "The Sammy". The drill team was once known as the Continentals. The Color Guard now consists of a tall flag team & Rifle team.

Starting school spirit for Magnolia was the responsibility of Jene Mangan and Shirley Lapier, physical education teachers. They helped compose cheers and choreograph routines for the cheerleaders. Mangan, who was at the school for its first four years as a teacher and counselor, returned 14 years later as the fifth principal of the school.

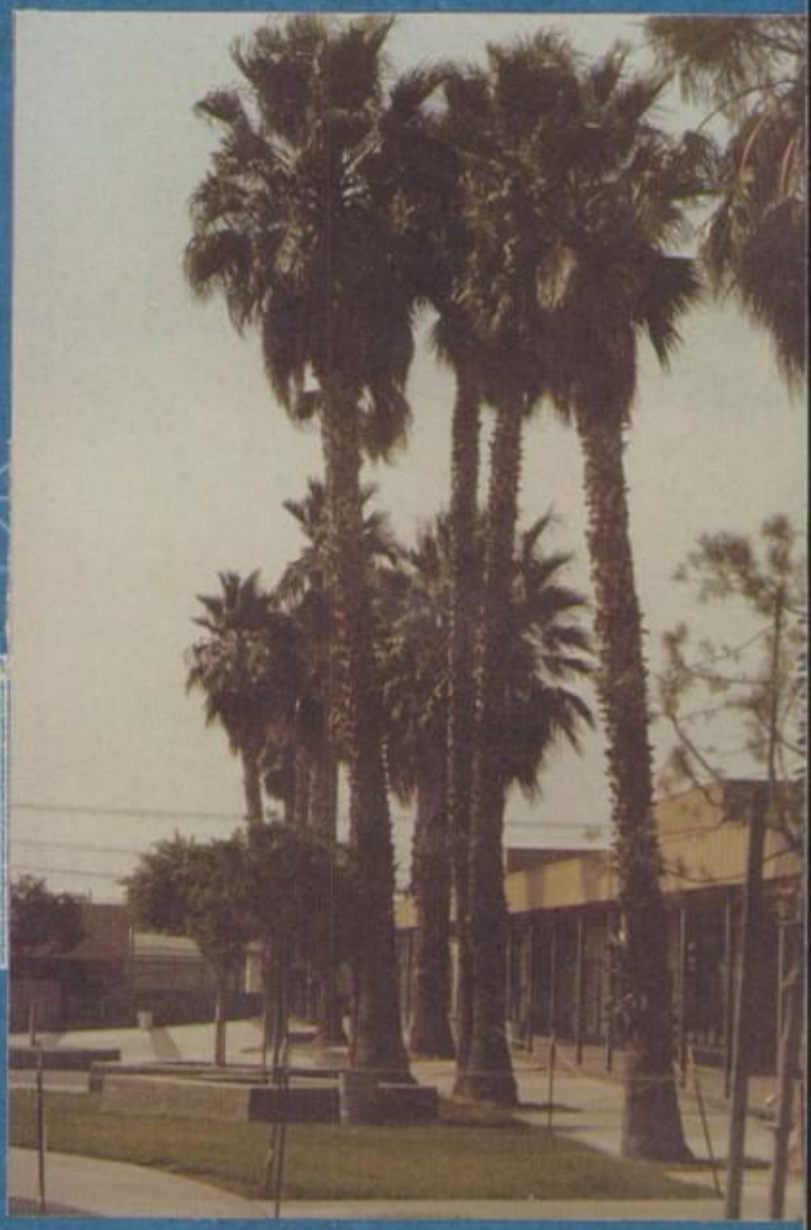
Like the other senior high schools, Magnolia has hosted many foreign exchange students. The first was a girl from Finland, Kaisa Villijo, who lived at the home of the Rex Nerisons, whose daughter Pat was a senior at Magnolia.

Magnolia athletes were soon in the winning column. The 1962 football season, played the Orange League, produced a league championship with Don Lent as head coach, assisted by Judson Brown and Sid Shue. In 1980 girls track took league championship, and repeated their victory in 1981. In 1982 the Magnolia wrestlers and baseball players took league champs too. 1983 gave the boys' cross country, baseball, girls' softball, and volleyball League Championships as well. In 1984 boys' cross country and girls' volleyball defeated the opposition and took League Championships.

Four league championships (by then in the Crestview League) were won in 1963-64 and football repeated with Mike Cochrane as quarterback; Bob Ross, baseball coach; and stars Roger See and Stan Sowa; Judson Brown coached the wrestlers to a title; and Bill Fathauer led the golfers to the same.

1965 found the Sentinels as co-champions with La Habra in football. The next year, the school was in the Freeway League, and the football team had a no loss season, a league title, and Jim Bratten was named to the All-CIF Team. This same year, the baseball team chalked up another league championship.

The LAMPLIGHTER is a good source of campus life in the late 1960's when the youthful revolution began to change schools all over the nation. An editorial told of the conflict of hemlines of girls' dresses. One way of deciding if a dress was too short was to have a girl kneel on the floor. If the bottom of her hemline did not touch the floor, her dress was judged too short. Usually this meant that the girl had to go home to change her clothes or have her mother bring a longer skirt to school.



One trick that girls played was to wear skirts and blouses, the skirt being long enough to satisfy the school rules and their mother's scrutiny before leaving home. When there seemed to be no risk, the wearer would roll up the skirt around her waistband to get a mini skirt effect. If called into the office, the girl would unroll the skirt before entering. Dress codes are still a concern at Magnolia.

Another headline in the LAMPLIGHTER was concerned with the abuse of drugs (November 1970). Various schools throughout the District had periodic flareups of heavy drug trafficking. The same newspaper told to self defense being taught to the girls. It was about this time that crime in Orange County began to reach frightening proportions.

Fashion is still a concern at Magnolia High School.

For Commencement exercises (graduation), Magnolia has had two "firsts". In 1970, there was no place for the deserving Sentinels to have their graduation. An appeal was made to the officials of Melodyland, who graciously allowed the Commencement to be held in the theater-in-the-round. When the Convention Center was opened in 1967 (for the first time). Magnolia was the first school to have Commencement there.

Fashions of 1968

During the spring of 1978, senior class president Corrine Duffin took contributions from seniors to put into a time capsule that was scheduled to be dug up in 1988. This same senior class chose to wear their caps and gowns with the boys in black and the girls in gold, sitting alternately.

The first instructors of music at Magnolia were Mervin Corner in instrumental and Marvin Fennema in vocal. There were large enrollments in band, orchestra, A Capella Choir, Advanced and intermediate girls' and boys' glee. These groups presented concerts and musicals in the gym, as well as sang for civic and church groups and competed in District regional festivals.

Corner left the District at the end of three years, and Fennema transferred to the Business Education Department for full time. However, these two men left their mark on the school with writing of the Magnolia Alma Mater. Corner chose the theme from Brahm's First Symphony and arranged it for the school. Fennema then wrote original lyrics for it.

The Magnolia "Sentinel" Band and Color Guard has gained a reputation as one of the premier groups on the West Coast. The Band and Color Guard has received over 70 Sweepstakes awards and Music awards during the past 10 years.

The highlight of this period of time has to be in 1982-1983 when the group won almost every major award in Southern California. (Sweepstakes at the Azuaa Field Tournament, El Modena Field Tournament, Mt. Carmel Tournament, Arcadia Band Review, All Western Band Review, and the Tournament of Champions.) That 1982-1983 group was crowned the "Southern California Champions" and appeared in the Pasadena Tournament of Roses Parade on January 1st of 1983. Director of Bands for the past 10 years is Mr. John Hausey, a 1985 graduate of Anaheim High School.

The first Director of the Magnolia Band was Mr. Merv Corner who later became Director at Alta Loma High and is now retired. He was followed by Ruben Hernandez and later by Mr. Michael Shelton who is now Director at Lesington Junior High School. Mr. Curt Ingram was the next Director and was followed by Mr. Hausey in 76.

Magnolia has had six principals in its 25 years: Richard Ryan (1961-69), Donald McKim (1969-73), Lloyd Seeman (1973-78), Gary Lindell (1978-79), Jene Mangan (1979-80), and Donald Keys (1980-present). Vice principals have been Myra Hotchkiss, Dale Hughes, Ken McKee, Arnold Gaynor, Bill Jones, Bruce Hauger, Emil Nolte, Bryon Taketa, John Douglas, Jery Salazar, Dave Loop, and Bill Pittman.

The first faculty had 52 teachers with 75 the next year when all three grade levels were taught. Gradually, the enrollment increased until 1972, the peak year, when there were 94. The highest enrollment during Magnolia's 25 years was approximately 1600 in the year 1972.

Success of Magnolia graduates has brought much honor to the school. Among the many are Robert Miske who graduated from West Point Academy in 1975. Stan Sowa earned the Bronze Star for his bravery in Vietnam. A classmate of his was Jerry Early, teacher at Cypress. Bill Dunn turned professional as a bull rider in 1970 and follows the rodeo circuit.

Faces of old and faces of new,
People we know and people we knew,
Growing together then drifting apart,
Always an ending and a now a new start,
At graduation we all grow nearer,
And all of our friends seem so much dearer.
And as we our final good-bye.
One last embrace and one more cry,
A "keep in touch" and a "promise I will"
A "remember when" but better still.

ACTIVITIES

My four years as a Magnolia Sentinel have been the most enjoyable and worthwhile years of my life. Celebrating Magnolia's 25th Silver Anniversary has been very special for all of us—the Seniors!

Having been involved with A.S.B. through these years, I've had a great pleasure to work with some fantastic people and develop some long lasting friendships. Our A.S.B. Cabinet's main goal this year was to promote school spirit among the student body and faculty. Together with our hard working cabinet and Pep Squad, I feel we had accomplished the goal to success which depended of communication, hard work, and understanding.

As the year comes to an end, we reflect on the many experiences established throughout the four years. The things we have done, going to classes, making new friends, attending games, assemblies, and dances, it seems as though it were yesterday. It makes me sad to think that all of this and all of you will become only a cherished memory. I hope your memories will be as pecial as mine.

Seniors . . . we became a family, we care for the respect each other. This gave us the strength, pride and spirit to keep our heads up, to do our best and not to give up no matter what the ending scores were. Yes, the 1985 Varsity Football team were winners. Let's keep these cherished memories throughout our lives. I will always treasure the love, memories, and moments we have shared . . . a little bit of you will stay with me, always.

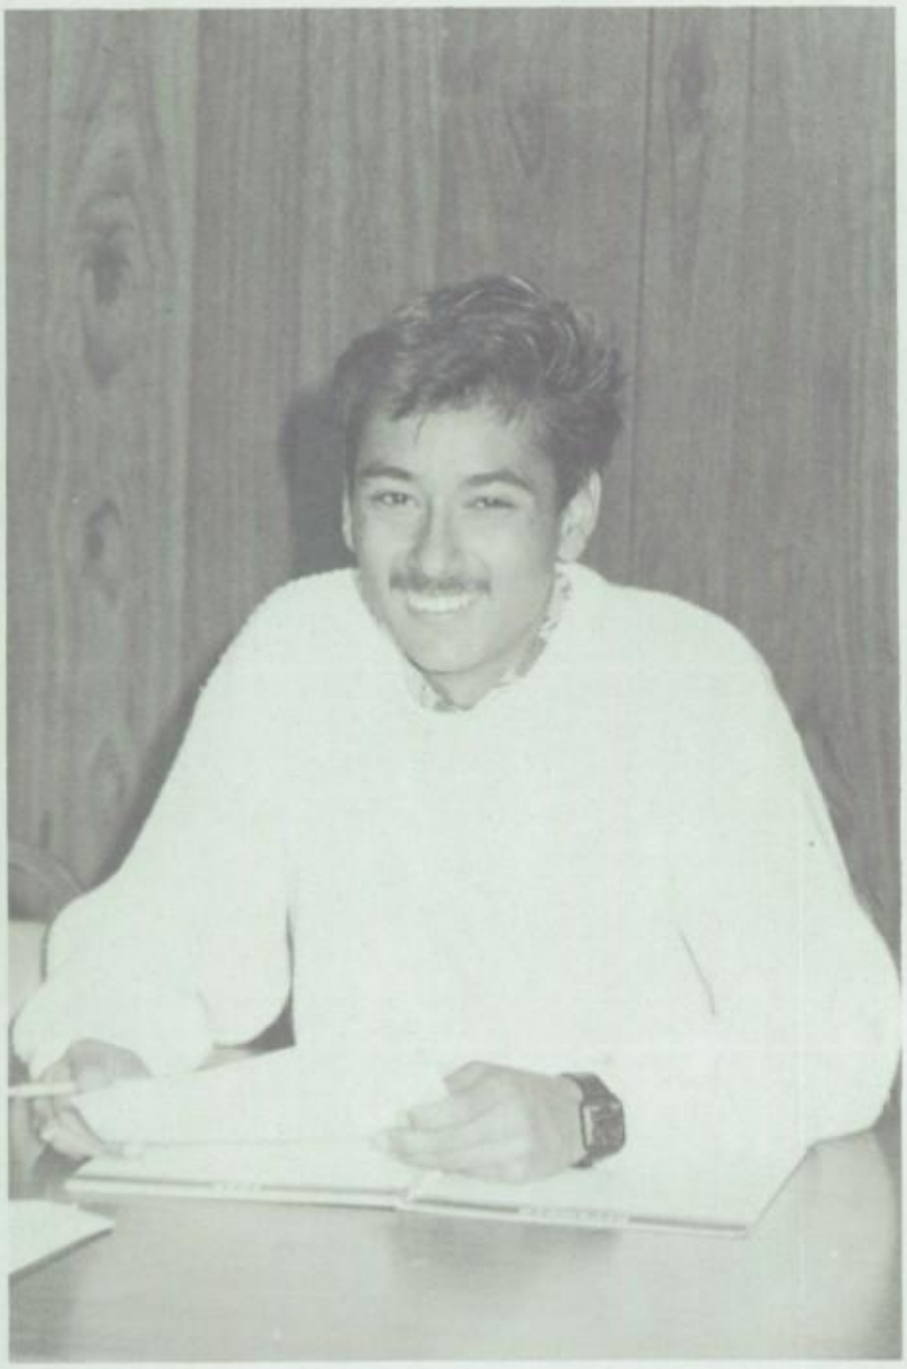
The future classes have a lot to look forward to, so get involved and be a part of your school. Make your years here at Magnolia fun and exciting, you can do that if you are United. That is the most important thing to remember— stick together as a class. I wish you all the Best of Luck!

Thank you Mr. Embree and Mrs. Merrell for supporting us! My friends that have helped me at Magnolia have made these the best years of my life. Thank you for the memories!!!

To the class of '87 keep the spirit and pride of Magnolia alive—Get involved!!

Class of '86 — Gotcha!!!

CINDY LEE
A.S.B. PRESIDENT



I can not believe my class, the class of "86", has to start looking toward the future. It seems like yesterday was our first day here at Magnolia. Yes, it's time to go on to college, work, marriage, and soon . . . children.

We have pulled for each other through the years, to make that Varsity team, to make cheer or song, to break that record. Yes, this is a class to remember. We have worked together as one in unity and achievement striving for the top. The class of "86" has been more involved, has shown more pride, and more athletic ability than many of Magnolia's previous classes. In my opinion the future classes are going to have a tough time matching the accomplishments we have achieved.

There are many people I would like to thank for making our years at Magnolia years to cherish. Thank you Mr. Embree and Mrs. Merrell for helping the A.S.B. and our class put together memorable moments for the student body. Finally I thank you, the students of Magnolia. Without you the memories would be meaningless and empty.

There's one last thing I would like to say to the class of "86" and Magnolia's following classes. REMEMBER—A PERSON MUST GIVE THAT EXTRA EFFORT TO BE SUCCESSFUL!

Good Luck in fulfilling your goals.

1985-86 WAS A GOOD YEAR AND A SAD YEAR FOR THE MAGNOLIA SENTINEL CHOIR. THE GROUP WAS LARGER DUE TO AN INFLUX OF EXCELLENT FRESHMAN SINGERS FROM DALE JUNIOR HIGH. THE MUSICAL ABILITY OF THE GROUP WAS THE HIGHEST QUALITY FOR SEVERAL YEARS.

THE SADNESS STEMMED FROM THE FACT THAT FOR THE FIRST TIME SINCE 1969 THERE WAS NO "HOLIDAY IN MUSIC". ITS PLACE WAS TAKEN BY OTHER CHRISTMAS CONCERTS, BUT NOTHING CAN TAKE THE PLACE OF THE THRILL OF PERFORMING IN THE CONVENTION CENTER. THE YEAR WAS CAPPED SUCCESSFULLY WITH THE GROUP's PERFORMANCE AT THE ANAHEIM DISTRICT FESTIVAL.

Wow, can U believe this year is almost over. We've known each other since 6th grade. You were the first friend at Baden Powell. Remember all the good times we spent with Mr. Pierce and everybody in our 6th grade. And now we must move away from all the people we love. You've been a greatest friend a person can ask for. Thanks for spending time with me. Hope you'll make alot of friends at your new high school. I hope I could make new friends at my new school too. Have a great Summer and a good life.

A SPECIAL SEASON

The celebration of the 25th Anniversary of Magnolia High School provided a special time for the football team to achieve its best season since 1968. The team, with great leadership from the seniors, won seven games and lost four, tied for third place in the Orange League, defeated the league champion, and played in the C.I.F. playoffs. They also won the homecoming game for the first time in many years.

However, the greatest accomplishments of this team was to bring spirit and pride back to the Magnolia football program. Through their efforts and fine play they earned the respect and admiration of their opponents, their school, the alumni, and the fans. Their achievements provided a very special season for Magnolia High School.

The season began with one of the most exciting wins of the season. Beating Katella, 28-7, provided one of the most exciting and unforgetable rally of players, students, and parents on the field after the game. Our second pre-season game was a hard fought game, closer than the score indicates. We lost to Los Amigos, a C.I.f. playoff team, 27-7, but showed improvement to prepare us for the rest of the season.

Buena Park High School was our next opponent which we defeated 24-0. Our defense did a fine job against a pass oriented team. The offense came alive with good execution and running. For the second game in a row, we faced a team that was pass oriented and ran the run and shoot offense. Against Mayfair, we had an aggressive pass rush and good secondary coverage to shut-out our opponent. A good balance between run and pass helped us beat Mayfair, 33-0. Our final game of the pre-season with the Vaqueros from Rancho Alamitos was our third shut-out in a row, a school record. Our team completely dominated the game and won 23-0.

The Sentinels truly "came to play" in the victory over a heavily favored Western team, 14-10. This was the most gratifying win of the season. Valencia, ranked high in the polls, was our next league opponent. Playing against Ray Pallares, the C.I.F. and county rushing record holder, was one of our greatest challenges but they came out on top 26-0.

One of the most heartbreaking games of the year was against Brea High School. With a 13-3 lead going into the fourth quarter, mistakes cost us a hard-fought loss, 24-13. Our homecoming game against Anaheim was a big win for the team and the alumni. The players came up with many big plays to clinch a 10-6 win. The final game of the regular season was a very memorable one against our cross-town rival, Savanna. Besides winning the game 27-8, everyone got to play in a game which we totally dominated. At half-time, three former players from Magnolia had their jerseys retired in celebration of our 25th Anniversary. Hank Bauer, Jim Bratten, and Bob Jensen were honored in a very special ceremony.

After the regular season, we were selected to be an at large team in the C.I.F. playoffs. We faced the top seed in the Central Conference Newport Harbor. Although we were beaten, 42-21, our team showed great character and pride in our performance.

To all the seniors, I want to thank you for your hard work, dedication, and leadership. You have set an example and a standard of excellence for other future "Sentinels" to work for. To all the players, congratulations on an outstanding and memorable season.

This year's yearbook staff has worked hard to make Mangolia's 25th Anniversary one we'll never forget. This special issue shows how the **Sentinel Spirit** has continued throughout the past 25 years. The staff has pulled together to type copies, take pictures, and meet deadlines. Thanks to all the students and faculty for cooperating with us to make this yearbook another successful addition. Congratulations to all the graduating seniors and good luck to the remaining students at Magnolia High.

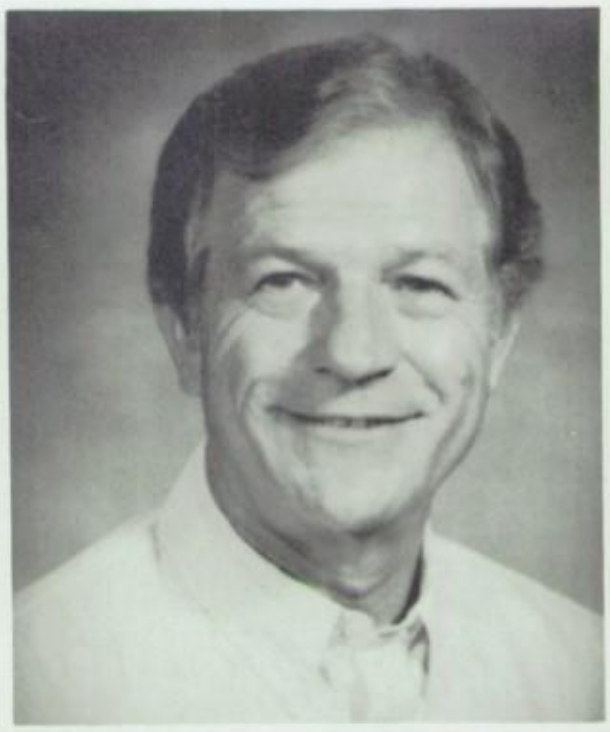
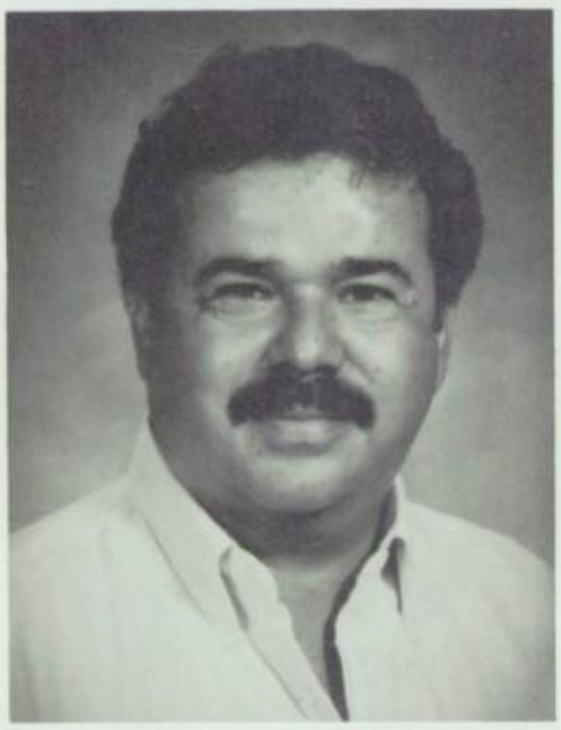
ASSISTANT PRINCIPALS





Seniors:

As a class you have kept Sentinel Pride growing. You have made this year exciting and fun. I have looked forward to coming to work each day.

Best of luck in whatever you do in the future. To the rest of the student body, strive for the accomplishments set by the seniors, and always be proud of the Black and Gold.

Mr. Salazar

The last five years have been the most enjoyed in the twenty - nine years in Anaheim District. Faculty, Administration, and students have been terrific! Real pleasure working with Mr. Keys who has made signifigance improvement of Magnolia in spirit and Academics. I will miss Magnolia and think of you always. I will always cherish the last yearbook.

Bill Pittman

We did it! With your contributions, the school year was a successful one. It is always a pleasure to experience a year in which so many good things happen - from CIF in sports to the Academic Decathlon.

I am certain vacation will provide all of us with a much needed and well - deserved change of pace. For the graduates, it presents a new and exciting challenge as they pursue college and careers.

Once again, thank you most sincerely, students and staff, for the cooperation and leadership you displayed the past year. You've brought pride and positive recognition to Magnolia!

David O. Loop

My heart felt thanks to everyone for making me feel welcome in my first year at Magnolia. This 25th Anniversary year has been special for me as head Football Coach and Counselor. It has been my pleasure to work with all of you and contribute to our fine program.

John Hangartner

Another wonderful year!
What more can I say than:
The Lord bless you and keep you;
The Lord make his face shine upon yours.
And be gracious to you;
The Lord lift up his countance on
you, and give you peace.

"I LOVE YOU"

OUR EYES FIRST MET WE FELL IN LOVE
A DREAM COME TRUE FROM HEAVEN
ABOVE.
WE CALLED EACH OTHER EACH AND
EVERY DAY
TO SAY "I LOVE YOU" IN OUR OWN LITTLE
WAY.
WE'VE GROWN VERY CLOSE NOW AND
YOU'VE
BECOME MY BEST FRIEND
ALL THE GOOD TIMES WE HAVE MAY THEY
NEVER END.
LIKE GOING TO THE BEACH AND WALKING
IN THE SAND
YOU AND I TOGETHER WALKING HAND
AND HAND.
YOU ARE THE TRUE LOVE I HAVE LONGED
TO FIND
FOREVER TOGETHER IS SUCH A LONG
TIME.
DEEP FEELINGS AND THOUGHTS WE'VE
LEARNED TO SHARE
THANKS FOR ALWAYS BEING THERE.
THE TEARS AND THE LAUGHTER MADE
OUR
RELATIONSHIP STRONG
AND IT'S THAT WHICH HAS KEPT US
TOGETHER FOR SO LONG.
YOUR TENDER KISS AND WARM EMBRACE
IN MY HEART HOLDS A SPECIAL PLACE.
WHAT I'VE SAID COMES FROM THE HEART
MAY NOTHING EVER TARE US APART.
SO WITH EVERYTHING YOU SAY AND WITH
EVERYTHING YOU DO
ALWAYS REMEMBER, "I LOVE YOU!!"

To: David From: Traci
